

Saudi Arabia Work Permit and Visa Services

Documents Required to Apply for This Service

- Valid Passport (with minimum 6 months validity)
- Passport-size photographs (white background)
- Visa Application Form (filled and signed)
- Medical Certificate from authorized hospital/clinic
- Police Clearance Certificate (PCC)
- Offer Letter or Employment Contract from Saudi Employer
- Educational Certificates (attested)
- Experience Certificates (if applicable)
- Government-approved E-Migrate Registration (if required)
- Proof of Vaccination (as per Saudi health guidelines)

Latest Government Requirements and Policies

- As of 2025, Saudi authorities may require biometric verification at the time of visa stamping.
- All certificates must be attested by the Ministry of External Affairs and Saudi Embassy.
- Medical test must be conducted within 30 days prior to visa submission.
- Job categories like Domestic Workers or Construction Labor require additional clearance from the Saudi Labor Ministry.
- Digital submission of documents is now mandatory on the Saudi Visa Bio portal for faster processing.
